**THE CENTRE FOR INTEGRATIVE, COMPLEMENTARY & ALTERNATIVE MEDICINE
~ WELLNESS EDUCATION ~**

Our vision for practitioners is to provide a professional, supportive and dynamic environment for practitioners from the fields of Complementary, Alternative and Integrative Medicine. Our practitioners work to promote *Wellness* in a proactive environment that fosters the development and maintenance of health and balance of the whole person.

The Centre provides the highest quality of holistic healing in a multi-disciplinary setting. This welcoming facility is richly appointed with hardwood floors, soft lighting and all the modern conveniences befitting a world class health and wellness centre. Your clients will immediately be at ease as they enter the reception area, with the Centre's selection of large treatment rooms, Far Infra Red Sauna, privately enclosed pavilion area for clients to meditate, sip complimentary green tea, research from the holistic library or just absorb the calming atmosphere and rebalance after a treatment.

Are you interested in:

- Being a part of a team whose goal it is to promote healing through a variety of methods?
- Being self-employed and renting your own space yet be within a professional network of other holistic practitioners (eg. Doctor of Natural Medicine, Acupuncturist, Biologic Dentist, Body Talk System, cranial sacral therapist, reflexologist, doula, etc.)?
- Treating clients in a safe, healing, first class atmosphere?

The Canmore Health and Wellness Centre has eight select treatment rooms, with very reasonable of rental options to suitably qualified practitioners who wish to join this exciting endeavour. Canmore Health and Wellness Centre is located in downtown Canmore on the main floor of the newly developed Mistaya Place.

If you are interested in learning more about the Centre and/or different opportunities available do not hesitate to contact: Dr. Neil Blacklock DNM at
